Once part of the British artillery barracks, the Events Centre is a conserved building with a rich heritage. Today, details of its architectural past have been meticulously and beautifully restored. Choose to host your events in meeting rooms on Level 1, or the ballroom on Level 2.

Wide range of venue options within the precinct include The Aloes at Oasia Resort Sentosa that caters to mid-scale events, from corporate product launches to luxurious wedding dinner. Other alternatives including Calamus and Cypress are also available for intimate lunches or small-scale presentations. Not only that, set against a picturesque backdrop of conserved heritage buildings, the Barracks Lawn provides the ideal outdoor space for your dream romantic garden wedding.

Find the ideal space to suit your needs, just minutes' drive from the city.
Where work and play mingle. Where memories of a lifetime will be made.
